

Why Money Matters

Since 2003, Indiana Equality (IE) has been the **ONLY** statewide organization working to gain inclusion, fairness and equality for all LGBT Hoosiers. We envision Indiana as a place where everyone feels at home; living in families and communities where equality, diversity and inclusiveness are universally valued and where government protects all people and responds to their needs regardless of sexual orientation and gender identity or expression.

HOWEVER, we continue to face tough opposition with deep pockets and a ruthless agenda determined to undermine the progress we have made; therefore, we **MUST** have the financial resources to combat these efforts! As a 501(c) (3) organization, IE is governed by a volunteer Board of Directors and relies heavily on donations from supporters **such as you** to fund its efforts to ensure basic rights for all Hoosiers.

Ways You Can Help

Big or small, every dollar counts towards equality! Equality **CAN** be achieved, but only with **YOUR** involvement. Your *tax-deductible contribution* will

help fund our efforts to ensure equal rights for **ALL** Hoosiers. There are many ways that you as an individual or as a LGBT/allied organization can contribute to Indiana Equality. Please join us in our mission to end discrimination. **TOGETHER, we CAN make OUR vision a REALITY.**
